

"GI Aqua Tech" & "Sludge+" Invite You to Witness the **Game-changing Wastewater Treatment Breakthrough** at the Global Water Expo 2024 in Riyadh

The event is scheduled to take place from September 24 to September 26, 2024. For a firsthand look at what makes GI Aqua Tech a pioneer in environmental technology, visit us at Booth 4B30, one of the biggest partitions in the Global Water Expo 2024.

WHEN

Sep 24 to 26, 2024

16:00-22:00

WHERE

**Saudi Infrastructure -
Riyadh International Convention
& Exhibition Center**

BOOTH

4B30

Riyadh, Saudi Arabia – GI Aqua Tech, a global pioneer in advanced wastewater treatment solutions, is excited to announce its participation as a golden sponsor in the Global Water Expo 2024, one of the world's leading trade fairs for water, sewage, waste, and raw materials management. At the expo, GI Aqua Tech will unveil its groundbreaking innovations in wastewater treatment based on nanotechnologies, offering water as a service, and achieving zero waste in sludge management.

Dr. Sherif Desouky, President of GI Aqua Tech, invites global industry experts, innovators, and policymakers to explore how GI Aqua Tech's transformative customized solutions reach the ultimate efficiency in wastewater treatment, ensuring zero waste. "We proudly introduce our revolutionary invention in the field of water treatment: non-biological mobile units that ensure the highest efficiency in wastewater treatment and our new technology in sludge management, achieving zero waste. We are confident that it will impress you," stated Dr. Sherif Desouky.

Industry leaders and experts who are interested in visiting our booth can reach out to **Eng. Nour Bahaa** at n.bahaa@giaquatech.sa for inquiries or participation confirmations.
